ORDER

% 05.10.2023

1. The instant writ petitions originally came to be preferred impugning the validity of a communication dated 20 March 2023 in terms of which five importers had been identified for export of 2.5 Lakh Metric Tonnes [LMT] of broken rice to Senegal.

2. We were informed on the last occasion that subsequently the process of import has been modified and now stands regulated in terms of the Trade Notice dated 20 June 2023. We were also apprised that the validity of the aforesaid notice has been challenged and is pending consideration in W.P.(C) 8625 of 2023. It was in the aforesaid backdrop the learned counsel for the petitioner had sought permission to intervene in the aforementioned petition.

3. We are today informed by the learned counsel that arguments on the intervention application as well as the writ petition have been heard and orders stand reserved.

4. In view of the aforesaid, since the import regime itself has undergone a significant change and the impugned communication has already worked itself out, we find no ground to continue the present writ petitions any further.

5. The writ petitions are disposed of accordingly. We, however, clarify that prayer (ii) as raised in W.P.(C) 4053 of 2023, W.P.(C) 4082 of 2023 and W.P.(C) 4086 of 2023, shall be open to be canvassed by the petitioner in W.P.(C) 8625 of 2023 or by initiating such other proceedings as may be permissible in law.

6. Consequently, the writ petitions along with pending applications, if any, shall stand disposed on the aforesaid terms.
