ORDER

% 21.03.2018 This is an application seeking condonation of 119 days delay in re-filing IA No.3903/2018.

For the reasons stated in the application, the delay is condoned and the application stands allowed.

This is an application filed by the respondent seeking dismissal of the petition on the ground that in the petition under Section 34 of the Arbitration and Conciliation Act, 1996 filed by the petitioner, a reference has being made by the petitioner to an award dated 1st July, 2015 instead of and in place of Award dated 29th June, 2015.

Counsel for the respondent fairly submits that after service of the present application, the petitioner has indeed filed an application seeking and amendment in the main petition, being IA 1415/2017.

In view of the above, the present application is dismissed as infructuous.
